

SERVING BREAKFAST 7:00AM - 3:00PM

SERVING LUNCH 11:00AM - 3:00PM

The Silo, a General Store & Restaurant for all seasons, was constructed & designed by Harry Troelstra in 1982. Two old 19th century barns were disassembled to create this unique structure. The actual "Silo" was transported from its original site in Saratoga County.

The Silo is often times referred to by our customers as New York's finest Country Store & Restaurant.

*The Troelstra Family and staff at the Silo
would like to thank you for visiting us today!*
